## NOTES TO THE ANNUAL RESULTS

### 1 GENERAL INFORMATION

The Company was incorporated in the Cayman Islands on 23 March 2018 as an exempted company with limited liability under the Companies Law, Cap. 22 (Law 3 of 1961, as consolidated and revised) of the Cayman Islands. The address of the Company's registered office is Cricket Square, Hutchins Drive, P.O. Box 2681, Grand Cayman, KY1-1111, Cayman Islands.

The Company is an investment holding company and its subsidiaries and consolidated affiliated entities (collectively referred to as the “**Group**”) are principally engaged in providing private higher education services in the People's Republic of China (the “**PRC**”). The Group currently operates one higher education school, namely Ginkgo College of Hospitality Management (formerly known as Yinxing Hospitality Management College of Chengdu University of Information Technology) (“**Yinxing College**”). The Yinxing College has two campuses, each in Chengdu and Yibin of Sichuan Province, the PRC.

The ultimate controlling shareholder of the Company is Mr. Fang Gongyu (the “**Controlling Shareholder**” or “**Mr. Fang**”), who has been controlling the group companies since their incorporation or establishment.

The shares of the Company have been listed on the Main Board of The Stock Exchange of Hong Kong Limited (the “**Stock Exchange**”) since 18 January 2019 by way of its initial public offering.

The consolidated financial statements are presented in Renminbi (“**RMB**”) and rounded to the nearest thousand yuan (“**RMB'000**”), unless otherwise stated.

### 2 BASIS OF PREPARATION AND CHANGE IN ACCOUNTING POLICIES AND DISCLOSURES

#### 2.1 Basis of preparation

The consolidated financial statements of the Group have been prepared in accordance with Hong Kong Financial Reporting Standards (“**HKFRSs**”) and the disclosure requirements of the Hong Kong Companies Ordinance Cap. 622. The consolidated financial statements have been prepared under the historical cost convention.

The preparation of financial statements in conformity with HKFRSs requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the Group's accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the consolidated financial statements are disclosed in note 4.

*Consolidate of subsidiaries controlled through Contractual Arrangements*

In preparation for the initial public offering of the shares of the Company on the Main Board of the Stock Exchange in 2019, the Group underwent a reorganisation (the “**Reorganisation**”), as part of which, a wholly-owned subsidiary of the Company, Chengdu Yinxing Education Management Co., Ltd. (“**Yinxing Education**”), has entered into a series of contractual agreements (the “**Contractual Agreements**”) with Chengdu Gingko Asset Management Co., Ltd. (“**Gingko Asset Management**”), Yinxing College and Chengdu Yinxing Hotel Vocational Skills Training School (“**Yinxing Training School**”) (collectively the “**Consolidated Affiliated Entities**”) and their respective shareholders, including Mr. Fang and Mr. Tian, on 14 June 2018, which enable Yinxing Education and the Group to:

- exercise effective financial and operational control over the Consolidated Affiliated Entities;
- exercise equity voting rights of the Consolidated Affiliated Entities;
- receive substantially all of the economic interest returns generated by the Consolidated Affiliated Entities in consideration for the corporate management and educational management consultancy services, as well as technical and business support services provided by Yinxing Education. Such services include development, design, upgrade and ordinary maintenance on educational software and website; design on college course and major; compilation and selection and/or recommendation on college course materials; recruitment and training supporting on teachers and other employees; admission and enrollment supporting services; public relation services; market research and development services; management and marketing consulting and related services; and other additional services as the parties may mutually agree from time to time;
- obtain an irrevocable and exclusive right to purchase all of equity interests in the Consolidated Affiliated Entities from the respective equity holders at nil consideration or a minimum purchase price permitted under PRC laws and regulations. Yinxing Education may exercise such options at any time until it has acquired all equity interests in and/or all assets of the Consolidated Affiliated Entities permitted under the PRC laws and regulations. In addition, the Consolidated Affiliated Entities are not allowed to sell, transfer, or dispose any assets, or make any distributions to their equity holders without prior consent of Yinxing Education; and
- obtain a pledge over the entire equity interest of the Consolidated Affiliated Entities from their equity holders to secure performance of the obligations of the Consolidated Affiliated Entities under the Contractual Arrangements.

The Group does not have any equity interest in the Consolidated Affiliated Entities. However, as a result of the Contractual Arrangements, the Group has rights to exercise power over the Consolidated Affiliated Entities, has exposure, or rights to variable returns from its involvement with the Consolidated Affiliated Entities, and has ability to affect those returns through its power over the Consolidated Affiliated Entities. Consequently, the Company regards the Consolidated Affiliated Entities as controlled structure entities under HKFRSs and consolidated these entities as its indirect subsidiaries in the consolidated financial statements of the Group.

Nevertheless, the Contractual Arrangements may not be as effective as direct legal ownership in providing the Group direct control over the Consolidated Affiliated Entities, due to the uncertainties presented by the PRC legal system to impede the Group's beneficiary rights of the results, assets and liabilities of the Consolidated Affiliated Entities. The directors, based on the advice of its legal counsel, consider that the Contractual Arrangements among the Consolidated Affiliated Entities and their equity shareholders are in compliance with the relevant PRC laws and regulations and are legally enforceable.
